

Dear [FirstName],

Are you having a tough time finding the kind of talent you need to fill your open positions? You're not alone. A global survey by PricewaterhouseCoopers found that 72% of CEOs called the shortage of skilled labor the greatest threat to their businesses.

Finding qualified candidates has never been more difficult as demand for specific skill sets has narrowed the pool of potential new hires. That's why we've partnered with Sage, the market and technology leader for HRMS, to offer recruitment solutions that will put you ahead of the competition.

Get the HR help you need to wade through the depths and find the people that will make a difference for you.

- Source the best qualified candidates.
- Improve the relationship between your recruiters and your hiring managers.
- Streamline the candidate selection process.
- Improve onboarding into a smooth and effective process.

Are you ready to find the best candidates for your business quicker and more efficiently?
