Dear [FirstName],

Do your HR processes look like something out of a corporate horror story? Do you have dusty filing cabinets filled with applications, compliance forms and W-4s? Do you miss opportunities to hire the best candidates because of misplaced requisitions and resumes?

Let us help you turn your HR nightmare into a streamlined, paperless dream.

At {Partner Name}, we want to help you turn your HR nightmare into a streamlined, paperless dream. That's why we've partnered with Sage, the market and technology leader for HRMS, to help you turn your inefficient manual system into an end-to-end HRMS solution.

With Sage HRMS Cyber Recruiter and Cyber Train, we can transform your energy-intensive requisition method into a seamless management process, energize your corporate training and illuminate the entire employee lifecycle.

To learn more about how we can help you achieve more with Sage HRMS Solutions,

check out how [Atlanta's GreyStone Power Corporation](#) transitioned from a largely manual human resources solution to a software solution that saves time, money and energy.
